An act relating to school safety.

LEGISLATIVE COUNSEL'S DIGEST

SB 605, as introduced, Lara. School safety: persistently dangerous schools.

Existing law establishes various laws relating to school safety and violence prevention, and, among other things, requires each school district and county office of education to be responsible for the overall development of all comprehensive school safety plans for its schools operating kindergarten or any of grades 1 to 12, inclusive.

This bill would express the Legislature's intent to enact legislation that would establish criteria for, and provide for the identification of, persistently dangerous schools.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
